

March 2003

Directed Energy employees recognized

by Fran Crumb, Information Directorate

KIRTLAND AIR FORCE BASE, N.M. – Two medals, three certificates of appreciation, a special recognition award, and one civilian certificate of service were awarded recently to employees at the Air Force Research Laboratory's Directed Energy Directorate.

Air Force Achievement Medals were awarded to 2nd Lt. Drew Goettler and Airman 1st Class Jeremy White.

Dr. Jim Riker, Dr. Barry Hogge, and Dr. Vern Schlie were presented with certificates of appreciation for their aid and contributions to the High Energy Laser Joint Technology Office.

The directorate's Job Order Cost Accounting System Split Aid Team was presented with the Director's Special Recognition Award. Team members included Carol Santistevan, Henry Trujillo, Loretta Chavez, Stephanie Gabaldon and Lydia Mendoza.

Dr. Kirk Hackett was presented with a certificate for 20 years of federal service. @
